If you have a concern about your child's bus service, bus driver or route schedule, please contact the school principal immediately. Students who misbehave on the bus pose a serious health and safety risk to all passengers and are therefore subject to disciplinary action by the school principal. When an incident occurs, the bus driver is required to report it to the school principal within two school days. The principal will conduct an investigation of the incident and notify you of the outcome. If your child is precluded from riding the bus due to disciplinary action, you will not receive a refund for the unused portion of the bus pass.
