There was an unhappy parent about the large amount of Christmas events here on campus and they were asked to come to the PTN to discuss (but did not join). DJ explained that the school is not but we are inclusive. Any ideas for celebrations are happy to be heard and the celebrations that do occur on campus happen because there is parent support to make them happen. The school has a multiude of different celebrations, from Makahiki Games to Christmas to Halloween. The school will continue to celebrate Christmas and other holidays as long as there is support from the staff and parents and the students show they are enriched by the celebrations.

Jackie N responded that as a parent and PTN member we appreciate the school's response and supports the message that we are inclusive and accepting of all ideas/celebrations.
